

Thank you very much for choosing The Purple Piano. We are excited to work with you!

Below are several resources to use for promotional purposes. Please, at any time, feel free to reach out to us for additional help.

**IMPORTANT: CORRECTLY LISTING THE SHOW**

***Please do not list this show just as a “Prince Tribute”.*** There are dozens of Prince tribute bands, with widely varying degrees of mastery. However, this is the **ONLY *One-Man*** Tribute to Prince on earth. It is a Las Vegas show--highly engaging and entertaining--but it does not involve a full band. It is important to make the distinction so that patrons have correct expectations.

**Please list this show as:**

**LIVE FROM LAS VEGAS: PURPLE PIANO - THE ONE-MAN TRIBUTE TO PRINCE**

Or:

**PURPLE PIANO - THE ONE-MAN TRIBUTE TO PRINCE**

Or, only if space is limited, such as on a venue marquee:

**ONE-MAN PRINCE TRIBUTE**

**Any variation from this wording needs to be approved - please submit to [info@purplexperience.com](mailto:info@purplexperience.com) for assistance.**
